### **HIGHLIGHTS OF COURTESY RUNNER RULE AND EH:**

- **Team may use a courtesy runner for the pitcher and/or catcher providing the pitcher or catcher bats for themselves and reaches base safely.**
- **The same courtesy runner may not run for both the pitcher and the catcher at any time during the game.**
- **Players who are currently in the game or have participated in the game in any playing capacity are not eligible to serve as a courtesy runner.**
- **If the DP bats for the pitcher or catcher and reaches base safely, a courtesy runner is not permitted to run for the Designated Player, or their substitute, including the pitcher or catcher.**
- **Many tournaments this year used the slow pitch “last out” as a courtesy runner. It is not permitted in the WMS.**
- **The extra hitter (EH) offers teams the opportunity to hit 10 players. The EH may enter the game defensively at any time, but the spot in the batting order remains the same. If you are using the DP/Flex, you are not permitted an EH if you only have 10 players.**
