IMPORTANT NOTES:

The times for Session #4 on Friday, August 2 have not been listed. Teams will be placed in the bracket based upon their finish in pool play. However, the Brakettes will play the 7 p.m. game on August 11. Since this is an expensive tournament we have to guarantee a gate on the first night of bracket play. Once the Brakettes' spot in the pairings has been determined that game will be designated for a 7 p.m. start. The other times will then be plugged in.

(Team on the top of the bracket occupies 3rd base dugout unless you are playing the Stratford Brakettes who are permanent residents of the 3rd base dugout.)
