ABOUT JOAN JOYCE

Joan Joyce, the greatest player in women's fastpitch softball history, passed away at age 81 on March 26, 2022, following a brief illness.

She won 429 games during her 17-year career with the Raybestos Brakettes. The Waterbury, CT, native was a 15-time ASA All-America. She remains No. 1 all-time with 5,677 strikeouts in 3,397 innings.

An eight-time ASA tournament Most Valuable Player, Joyce also led the Brakettes in hitting six times. She finished with a .327 career batting average.

After leaving the Brakettes in 1975, she was the star pitcher/co-owner of the four-time champion Connecticut Falcons of the International Women's Professional Softball Association.

Turning her attention to professional golf, Joyce played on the LPGA Tour for 19 years (1977-1995). She is listed in the Guinness Book of World Records for the lowest number of putts (17) in a round for both men and women.

She became the first women's softball coach at Florida Atlantic University in Boca Raton, where she won 1,028 games in a 28-year career.

We honor her memory in this, and future Brakettes golf tournaments.
